

## Carmen D'Arcangelo Page

---

Business leader possessing 25 years leadership experience in diverse for-profit and non-profit organizations. An ideal role would leverage my experience and commitment to helping organizations become effective and successful through the development of their leaders, teams and systems. With an agile approach, my focus is contributing collaboratively to a mission-driven social enterprise with practical tools and impactful leadership delivered through an equity lens.

---

### **Non-Profit Experience and Education:**

The following are representative projects and organizations where I have provided executive leadership and/or strategic human resources consulting to non-profit organizations:

- **Northwest Harvest--Interim Director of Human Resources (1.2017-present)** Providing senior level HR program and organizational development consulting to the senior leadership team and cross-functional departmental teams. Revamped recruiting process, performance conversations and employee handbook. Focus on multi-year equity and inclusion process and change management initiatives.
- **Hutch Kids Child Care Center—Interim Executive Director and Board Consultant (9.2017-present)** Led the 50-person administrative and teaching team through an emergency executive transition following a failed search. Established mentoring, performance management and step up leadership opportunities. Led major fund raiser.
- **Communities in School of Seattle--Interim Executive Director (1-7.2017)** Led Board of Directors through departure of long standing ED. Enabled board capacity building and EDI initiatives. Drove staff, Board of Directors through organizational development processes. Revamped finance and accounting infrastructure and initiated sources and uses of funds process for revenue forecasting. Led ED search communication and major fund-raising breakfast.
- **Malaria No More—Executive Consultant (2016-present)** Provided VP of HR support to Managing Director in the areas of performance management, employee relations, HR strategy and compliance initiatives.
- **University Temple Children's School—Organizational Consultant and Executive Search (5.2016-present)** Conducted life cycle assessment and facilitated Board of Directors staff retreat to determine the Executive succession strategy. Conducting successful ED search.
- **New Discovery School--Organizational Consultant and Executive Search (2016)** Led board facilitated ED search and provide succession planning assistance and HR infrastructure analysis to the exiting ED.
- **New Horizons Ministry—Training and Organizational Consultation (2016-17)** Conducted a set of three interactive, experiential new supervisor's trainings to core management team including homework, work groups and manager certification.
- **FRYE Museum-Human Resource Consultant (2016-17)** Provided senior level outsourced HR services in the areas of legal compliance, HR systems and infrastructure, compensation, organizational development and recruiting.
- **Cornish College for the Arts – Executive Consultant (2015)** Provided consulting to lead the Board of Trustees through its first ever 360 leadership evaluation of the President utilizing a custom survey monkey tool in alignment with nationally recognized performance standards.

## **Carmen D’Arcangelo Page**

- **Auburn Youth Services – Executive search, Board development and HR coaching and development (2015)** Led scoping of new Executive Director role with Board of Directors, management team members, staff and community stakeholders. Orchestrated interviewing process, structures and led all aspects of the search.
- **Vietnamese Friendship Association – Interim Executive Director (2014-2015)** Led strategic planning, budgeting and new program development for the organization. Developed board meeting format and structure and reorganized internal performance systems, infrastructure and processes. Responsible for day-to-day operations, fund development and management of search process.
- **The Washington Sustainable Food and Farming Network-Managing Consultant (2014-17)** Advised ED, Board Chair on the pros and cons of merger and acquisition strategy with another nonprofit. Facilitated multi strategic planning retreat with board and staff. Currently leading Executive Director Search.
- **Hilltop Children’s Center -- Interim Executive Director (2011-2013)** Managed organization through 18-month transition period, led executive search and supported operational streamlining and restructuring. Initiated funding growth of 50% through replacing the auction with a community led annual campaign. Led strategic planning and life cycle evaluation efforts with the Board of Directors. Continue to coach executive and management team members.
