

Christine Martin

Qualifications Summary

Christine has over 25 years of experience as a strategic business leader and has held a variety of senior leadership roles in organizations ranging from large public companies to early-stage start-ups and non-profits. Christine founded her consulting business, HR Strategies International in 2000, and after 18 years of independent consulting, was a founding partner at Valtas in 2018.

Christine consults with clients and also serves as the practice manager for our interim executive and project work, supporting our team of 20+ consultants and helping ensure that our team and our clients receive all the support needed for the most effective engagements. She has served as an Interim Executive for 18 organizations over the past fifteen years. She's led the development of a wide variety of strategic and business plans and has also led executive hiring efforts for clients across the country.
